# DEDICATION

The Green Night Yearbook Staff of Nineteen Ninety-five proudly dedicates this book to two very important people in our lives as students. Not only our teachers but our friends as well. We would like to thank them for their help, kindness, and caring attitudes. Their classes make us feel at home, we can express our feelings freely without fear of being punished or ridiculed. They always encouraged us, as well as challenged our minds to makes us become the better students that exist inside us all. Thank you Coach Rocky Baker and Coach Doug Mullins, Jr. for all of your help.

Coach Rocky Baker

Coach Doug Mullins, Jr.

## Friends

Friends are there through thick and thin  
There to cry on every now and then  
Friends can see an ugly frown  
And quickly turn it upside down  
But if your friends are really true  
They will always be there for you.
